GENERAL INFORMATION

- People interested in religious vs. secular work possess deep faith, want more than filling own personal needs, and want to make a difference.
- Bachelor's degree provides broad background for careers in many fields including many religious-affiliated organizations.
- An undergraduate degree prepares students for professional and graduate study in business, law, medicine, counseling, higher education and other fields.
- Dual majors are required for some specialized areas.
- Master of Divinity required for most clergy positions, plus denominational ordination.
- Obtain general knowledge of practices, procedures, guidelines and doctrine of one's faith.
- Possess understanding of human spiritual and social needs.
- Ph.D., Th.D. or D.Min. required for college/university/seminary teaching, research and administration.
- Obtain part-time, summer, internship, volunteer experience in religious institution or bookstore, or other related activity in working with and helping people.
- Develop counseling and communication skills due to the nature of the field and working with people.
- May be more opportunities for specific ministries in urban areas and large religious institutions.
- Obtain experience and contacts through extensive involvement in campus organizations. Leadership on the local, state and regional level is crucial.
- Obtain camp experience to improve organization and counseling skills as well as network within the denominational/organizational structure.
