

**Art Education Major
Intended Student Learning Outcomes**

Students will:

1. demonstrate their capacity for expression through the practice of creative visualization, organization, and conceptualization.
2. create, present, and evaluate artwork with high standards and technical skills.
3. understand the significant ideas, techniques, and developments associated with current styles and directions in art.
4. recognize and appreciate historical, contemporary, and multicultural influences on works of art in both traditional and nontraditional modes of expression.
5. utilize a broad knowledge base to understand the effective teaching of art in kindergarten through twelve schools.
