

2018 WEEKEND PROGRAM

Wartburg College

Together As KNIGHTS

2018 Homecoming & Family Weekend

Welcome to HOMECOMING & FAMILY WEEKEND

On behalf of Wartburg's students, faculty, and staff, I extend a warm welcome to our alumni and parents, as well as to the families and friends who join you here this weekend. I'm especially pleased to share our special greetings with those of you participating in class reunions.

This year's theme, *Together as Knights*, emphasizes Wartburg's commitment to fostering a welcoming community for all. We take very seriously the trust that parents and alumni place in us to maintain this home for their children and for future alumni. In this 167th year of the college, Wartburg strives to provide an excellent academic preparation embedded within a learning community filled with co-curricular opportunities through which students can develop the skills and dispositions they need to lead and serve the world.

As Christy and I begin our 10th year of service to Wartburg, we continue to be thankful for the commitment of thousands of Wartburg alumni and friends who make *the* difference in the life of the college and in the lives of our students. As our founders did in the first year of the college, we continue to imagine possibilities and pursue opportunities to help students discover their life's calling and prepare themselves to fulfill it.

Please introduce yourselves—or *reintroduce* yourselves if it's been a while—to Christy and me this weekend. We so enjoy hearing your Wartburg stories. And please return to campus as often as you can throughout the upcoming year! Welcome back to your home, Wartburg Knights!

Darrel D. Colson, President

WHAT DOES 'WORTH IT' MEAN TO YOU?

Can you scream from the rooftops why you wanted to "Be Orange," but struggle with an answer when someone asks why Wartburg was "Worth It"? Stop by the "Worth It" booth during the Renaissance Faire to learn more about how you can tell your "Worth It" story. We'll give you a hint: If you enjoyed sharing what "Be Orange" means, then you already are explaining why Wartburg was worth it. Don't forget to visit www.wartburg.edu/worthit to learn more and read other alumni and student stories. Then share yours on social media using the hashtag **#WartburgWorthIt**. All stories will be posted on our Tagboard, which can be found at the bottom of the college's home page.

Grand MARSHALS

Jack '53 and Marietta Schemmel have been ardent Wartburg College supporters since the 1950s and from wherever they lived. Following graduation, Jack served the college as an admissions counselor, alumni director, and placement director. He later served as a school administrator before retiring. He received an Alumni Citation in 1995. Marietta was an administrative assistant for the Colorado Education Association.

The Schemmels moved to Denver, Colo., in 1977 and were actively involved with the Wartburg West program since its inception in 1985. They knew each student personally and helped them get acclimated to Denver by hosting outings to area restaurants and to theater, symphony, and professional sporting events, all at considerable time and expense to themselves.

In 2001, the Schemmels were among the first honored with the college's Wartburg Medal for their work with students and as leaders on the Wartburg West Advisory Committee. Since returning to Waverly, the Schemmels have continued to share their passion for the college with the next generation of students and are regular visitors to campus.

Alumni Citation RECIPIENTS

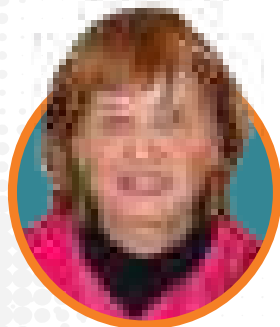

Lois Volkmann Jelneck '50, Ann Arbor, Mich.

Rarely does a Wartburg student circle back to be a Knight a second time, but Lois Volkmann Jelneck is no ordinary woman. As a Knight in the late 1940s, she studied nursing but before earning her degree transferred to Milwaukee Lutheran Hospital's School of Nursing to become an R.N. She thrived in a variety of nursing specialties in Ann Arbor, Mich. At age 56, she returned to Wartburg to complete an unfinished chapter in her life: her bachelor's degree at Wartburg. In 1980, Jelneck and a colleague started Individualized Home Nursing Care and Hospice, focusing on the spiritual side of dying as well as the physical part. Jelneck has cared for countless individuals and their families in her many years as a nurse. She has been a longtime member of Rotary Club, served on the board of Lutheran Social Services of Michigan, volunteered on multiple mission trips abroad, and puts her faith into action in her local church.

Judith Slade McCaskey '65, Chicago

Judy Slade McCaskey's devotion to children knows no bounds. In addition to teaching first-graders for 40 years in Palatine, Ill., she has impacted teenagers in Chicago's inner city by serving on the advisory board of After School Matters. She's also a board member for the Erikson Institute, which focuses on early childhood education. Judy and her husband, Ray, are active at Wartburg College, having funded scholarships for prospective elementary school teachers and the Orange Opportunity Scholarship to bridge the financial gap for inner-city youth. Judy has served as a member of a Governor's Commission on the Status of Women in Illinois and has been active with the Chinese American Service League, the Chicago Lighthouse for the Blind, Jane Addams Hull House, the Loyola University Museum of Art and The Fortnightly of Chicago, plus Opera House Arts and the Island Heritage Trust in Maine. In recent years, Judy and Ray helped start a unique preschool for Chicago-area children. At the Judy and Ray McCaskey Preschool Program at The Chicago Lighthouse, fully sighted children learn together with children who are blind or significantly visually impaired.

Michael Sinram '75, Waterloo

As a teacher and coach for decades, Mike Sinram has embodied true servant-leadership. He taught K-12 PE. and health at Jesup Community Schools, plus junior high classes, and was honored as State Coach of the Year for boys' cross country in 1990. He would leave an even larger mark in adaptive physical education, first at the Grant Wood AEA and then West High and Central Middle schools in Waterloo. He shares his knowledge with college students as an adjunct instructor at several institutions, including Wartburg. In 1993, Sinram was a Governor's Award Winner in Sport and Elementary Physical Education. He was honored as Iowa's Adapted Physical Educator of the Year in 2002 and in 2015 received the Global Thinking Award from the Waterloo Community Schools. In 2016, before his retirement, Sinram received the Steve France Lifetime Achievement Award from the Iowa Association for Health, Physical Education, Recreation and Dance.

Fund THE FORTRESS

FUND THE FORTRESS

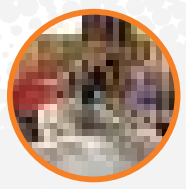

Fund the Fortress is a crowd-funding initiative that gives alumni, parents, and friends the opportunity to raise funds for special projects, campus needs, activities, and more. We encourage you to browse our current projects at www.wartburg.edu/fund-the-fortress to learn more about these projects and lend your support.

FOOTBALL TEAM Support Wartburg College football in its annual fundraising goals. Through your support, we can create, enhance, and sustain the Wartburg football program for years to come!

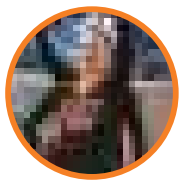

CHAPEL MEDIA ENHANCEMENT This project aims to install additional speakers in the balcony for better audio and add projection to the Chapel for a more interactive worship experience. The digital age in which we live offers many opportunities to share God's word in new and innovative ways.

AUDIO CREATION SUITE The audio creation suite will open up new opportunities for students, faculty, staff, and alumni. The ability to record multiple voices at once opens the door for a robust podcasting program from a variety of areas on campus and the ability to do radio plays, author readings, the president's podcast, educational outreach programs, and so much more.

SERVICE TRIPS — FALL BREAK & THANKSGIVING BREAK Wartburg College has a long and proud tradition of service. For more than 20 years, students have spent their breaks in the academic year assisting others locally and across the nation. Find details for each trip this fall and support students who are helping those in need.

CHEERLEADING SAFETY MATS This project aims to fund a quality cheerleading competition mat that will last to ensure that our student athletes are safe and have the ability to compete at a high level. With one of the largest teams in school history (29 student-athletes) the time has come to make the investment in our program and our students to ensure their safety and provide the practice environment they deserve.

alumni REFERRAL AWARD

Refer a student and they can

RECEIVE \$4,000 IN YOUR NAME!

As a Wartburg graduate, you know the college offers students a rigorous academic environment coupled with rewarding experiences outside the classroom. With the new **Alumni Referral Award program**, you can help today's high school students see how Wartburg can equip them to embrace their passions and unlock their potential. Follow these three easy steps to **help a student receive a \$4,000 award in your name!**

1

Fill out the student referral form.

2

The student applies to Wartburg.

3

The student receives \$1,000 annually in aid when they enroll!

This award will have your name on it as a testament to the importance of your involvement in the lives of our future alumni. **The deadline to refer a student graduating from high school in 2019 is Dec. 15, 2018.**

Fill out the student referral form at
www.wartburg.edu/refer.

DON'T STOP THERE!

We're always asking you to tell your Wartburg story because it's the most effective way to illustrate the power of our mission: to challenge and nurture students for lives of leadership and service as a spirited expression of their faith and learning.

Once you've referred a student, reach out to them and let them know. Talk about Wartburg with them. Encourage them to visit campus—or bring them on a visit! Then advocate for Wartburg when they're deciding where to enroll. (Don't worry, we'll send you a reminder or two along the way.)

Recognition SOCIETIES

The Heritage Society was established in 1977 to recognize and thank alumni and friends who have made provisions for future gifts to Wartburg College in their estate plans. For many Heritage Society members, a planned gift is a natural extension of their generosity to Wartburg College during their lifetimes. More than 650 households of all ages now hold memberships in the Heritage Society.

We believe those who join the Heritage Society are to be held in a special place within the Wartburg community. A special luncheon is held in their honor during Homecoming Weekend, where new Heritage Society members also are recognized.

All members receive a framed watercolor print of Old Main in appreciation of their generosity.

And make them reach the sky

For Wartburg's glorious name
We'll win another game (you fight)
Fight on you Wartburg Knights
Keep fighting with all your might.

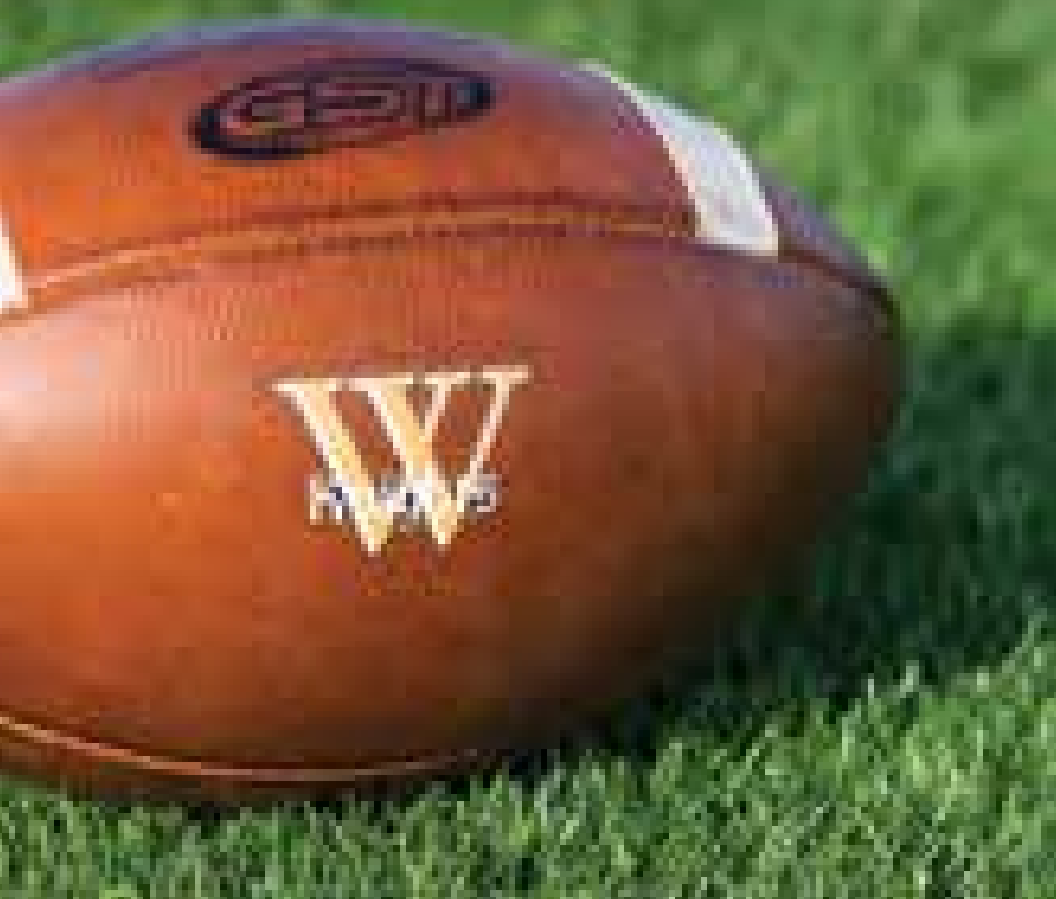

Wartburg College, U Rah-rah-rah
Wartburg College, U Rah-rah-rah
Wartburg College, U RAH-RAH-RAH

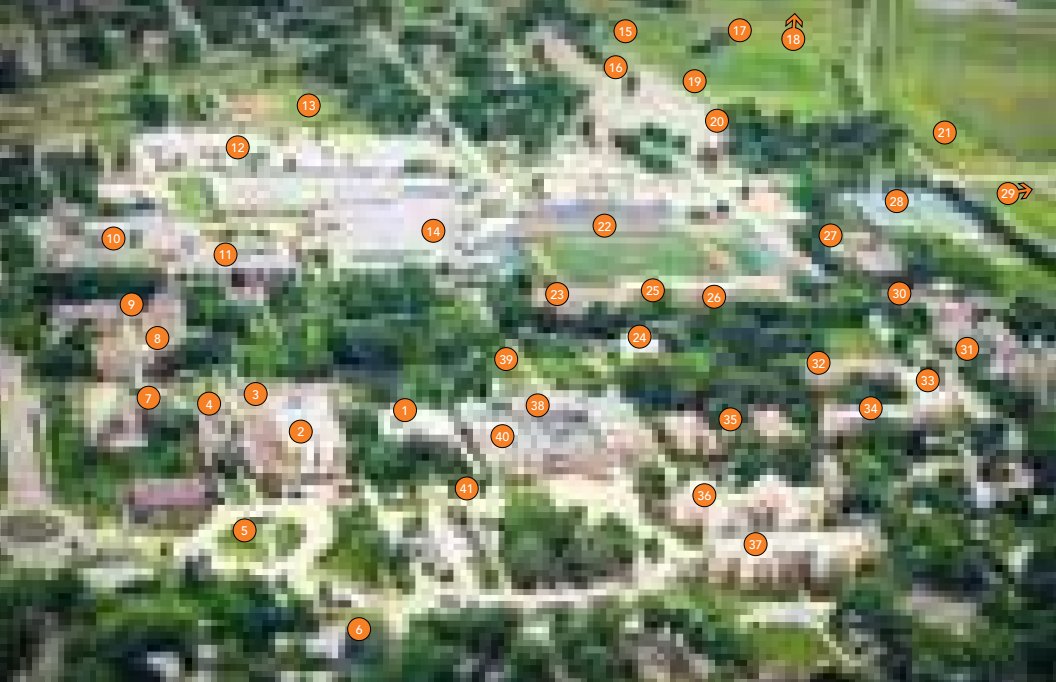

Chorus:

Fight on ye Knights:
Go-team-fight-team-fight!
Fight on ye Knights:
Go-team-fight-team-fight!

Loyalty Song

College of our brightest days,
Unto thee we chant our praise.
Ne'er thy name shall cease to be
A most happy memory.
Thine the spirit we love best,
Finest in the East or West,
And we sing with loyalty,
Wartburg College, hail to thee!
