The Mock Evaluation is intended for you to gain insight into how your cooperating teacher is evaluated by their district. For this assignment, discuss the school district's protocols for evaluation based on the Iowa Teaching Standards (Appendix N – Iowa Teaching Standards).

As part of this assignment, you should:

- 1) View your Cooperating Teacher's portfolio (if they are required to have one).
- 2) Discuss some of the artifacts provided for evidence.
- 3) Discuss resources provided by the district to assist teachers with their evaluation process.

You may also use this exercise to have your Cooperating Teacher provide feedback on the artifacts and format for your Student Teaching portfolio. This portfolio is due at the end of the current term..

The mock evaluation shall not be used as an assessment tool by the practitioner preparation program. This mock evaluation does not require that the evaluator be state evaluator approved or that the student teacher provide documentation to support competence.*
