

NEAVE TRIO

Greetings from Wartburg College!

We are excited to announce our 2<sup>nd</sup> annual Meistersinger Chamber Music Festival occurring on **Sunday, October 6** at the Bachmann Fine Arts Center at Wartburg College. Our festival is designed to bring together piano and string players from programs across the region to collaborate with world-class artists.

We are pleased to welcome back special guests **Neave Trio** this year! Formed in 2010, Neave Trio-violinist Anna Williams, cellist Mikhail Veselov, and pianist Eri Nakamura-were recently nominated for a Grammy and have received prestigious accolades for their "...engaging and cutting-edge performances." Educators/private teachers are welcome to attend the sessions throughout the day.

Occurring from **1-5pm**, string and piano students will be given the opportunity to engage with Neave Trio through masterclasses, clinics, and a live performance by the ensemble. Students can register as a soloist, part of a chamber group, and/or both! This is also a wonderful opportunity for participants to receive feedback on All State music, upcoming college auditions, MTNA events, and/or material they are studying in large ensembles/private lessons.

Please submit registration by Friday **September 27, 2024**. Cost is \$20 per student. *Please know that individual times with the artists and/or clinic time will come on a first come, first serve basis.*

Registration is available online by going to: <https://www.wartburg.edu/festivals/> **OR** by emailing registration paperwork to the following individuals.

**String Participants:** Dr. Rebecca Nederhiser [rebecca.nederhiser@wartburg.edu](mailto:rebecca.nederhiser@wartburg.edu)

**Piano Participants:** Dr. Suzanne Torkelson [suzanne.torkelson@wartburg.edu](mailto:suzanne.torkelson@wartburg.edu)

If students want to participate as both a string and piano performer, **they will need to complete paperwork for each instrument**, but will only be charged one time (**\$20**). For further questions, please reach out directly to Dr. Nederhiser or Dr. Torkelson. We look forward to working with your students!

Warmest Regards,
