

**Peace and Justice Studies Major  
Intended Student Learning Outcomes**

*Students will:*

1. describe theories of peace and justice and their secular and/or religious foundations.
2. appraise historical struggles to promote human rights, peace, justice, and freedom from oppression.
3. analyze social, economic, political, psychological, environmental, and religious causes of violence, oppression, and injustice.
4. formulate strategies to remediate violence and injustice and to transform the social and economic structures underlying these problems.
5. apply skills for peace and justice advocacy and political action.

*July 2016*
