## Ritterchor

The Wartburg Ritterchor was founded in 1997 and follows Wartburg's rich German Lutheran tradition of choral singing. Translated from German to English, Ritterchor means "Knights Choir." In connection with Wartburg's heritage, Ritterchor seeks to honor the Wartburg Castle, where Martin Luther once lived disguised as a knight.

In February 2017, members of the Ritterchor traveled to New York City to make a guest appearance at Carnegie Hall. They were joined by 220 male singers from across the country to sing a President's Day Celebration concert featuring Randall Thompson's *The Testament of Freedom*. The Ritterchor has been invited to be the featured choir at various men's choir festivals including: Sioux City's *Man Up and Sing!*, the Iowa City Men's Choir festival, and the Great Northern Union Collegiate Men's Choir Festival. The Ritterchor has combined forces with area musicians in performances of masterworks including J. S. Bach's *Magnificat* and Antonio Vivaldi's *Gloria*. The Ritterchor also performs in Wartburg's annual holiday festival, Christmas with Wartburg.

Members of the Ritterchor consist of various academic majors and include first-year through fourth-year students. The group performs a variety of literature for events on and off campus. While working in a fun and friendly environment, Ritterchor members seek to produce a sound distinct and unique to a superior men's choir.

## Wartburg College

Wartburg is a selective liberal arts college of the Lutheran Church (ELCA), internationally recognized for community engagement. The college's 1,527 students come from 55 countries and 30 states. Wartburg is dedicated to challenging and nurturing students for lives of leadership and service as a spirited expression of their faith and learning. Wartburg is listed in *U.S. News & World Report's* annual survey of *America's Best Colleges*; *The Best Midwestern Colleges*, a publication of *The Princeton Review*; *Barron's Best Buys in College Education*; *Forbes' America's Best Colleges*; and *Peterson's Top Colleges for Science*.

Wartburg offers more than 50 academic majors, including music education, performance, music therapy, and church music. The college's 17 vocal and instrumental music ensembles are open to music and nonmusic majors. The Wartburg Choir, Wind Ensemble, and Castle Singers tour annually and travel abroad every third year during the college's one-month May Term.

All-State musicians who enroll at Wartburg qualify for minimum \$2,500 scholarships. Meistersinger Music Scholarships offer up to \$5,000 per year to music and nonmusic majors, based on audition.

Wartburg takes its name from the Wartburg Castle in Eisenach, Germany, where Martin Luther took refuge during the stormy days of the Protestant Reformation. Music groups frequently visit the castle during their May Term trips.
